

PROJECT NAME: Monticello Health Education and Screening Initiative

RECIPIENT: Utah Department of Health

LOCATION: Monticello, Utah

PURPOSE: Funds will be used to establish a preventative cancer screening program at Monticello Hospital that is operated through cooperative agreements with the Utah Department of Health and the University of Utah Medical School to apply basic principles, and state-of-the-art methodology, for comprehensive medical screening tests for a set of health conditions known to arise from radiation and hazardous exposure.

AMOUNT: \$500,000
